Reception

A vitally important role as the receptionist is often the first point of contact for anyone ringing or visiting the hospice

Carers

In the Day Care Centre, assist with general tasks, chatting with patients and serving meals/ refreshments.

Help in the kitchen to prepare vegetables and clear up.

Assist with Craft Projects

In the In-Patient Unit, carers assist with a variety of non-nursing tasks involving patients and their families/visitors

Drivers

Using their own cars, drivers transport patients to/from the hospice, generally once a week. A fuel allowance is made.

Drivers need fully comprehensive insurance, a valid driving licence and permission from their insurance company to use their car for this purpose.

Support Groups

Join a Support Group near where you live and help raise funds for the hospice
