

**Can you and your team turn £50 into much, much more?**

Whether its team building or simply supporting the local community, our corporate challenge is a fantastic way to engage your team whilst raising vital funds for your local hospice.

The concept of the Corporate Challenge is simple – The hospice gives you £50 and asks you to turn it into as much as possible using your ingenuity and entrepreneurship in the qualifying time period. There are absolutely no guidelines as to the kind of activities you choose to get up to, as long as it's ethical and legal!

The challenge is open to all companies across the Vale of Clwyd and surrounding areas in Denbighshire, West Conwy and East Flintshire.

### The Benefits

**Team building | Staff Development | Raise Money for a Local Good Cause  
Promote Corporate Social Responsibility | Media Promotional Opportunities**

The list of fundraising ideas is endless...hold a cake sale, a dress down/fancy dress day, to jumping out of a plane or just about anything you can think of.

We encourage you to sign up to our hospice events and campaigns to boost your fundraising! This is the perfect opportunity to include your suppliers or clients and get them involved in your community fundraising.

The challenge will start on 1st May and will run until 30th November. To celebrate the end of the challenge you will be invited to our awards event where the winning team will be announced and you will get a chance to meet other challengers who have taken part.

**To confirm your place in our Corporate Challenge 2019 please complete the form below or call St Kentigern Hospice Fundraising team on 01745 775415. before 1st May 2019.**
